GSA Receives Citation from Ga West Municipal Education Office

Mr. Frimpong receiving the citation on behalf of the Authority

On Thursday, April 4, 2024, a delegation from the Ga West Municipal Education Office, visited the Ghana Standards Authority (GSA) to present a citation as a gesture of appreciation for the role and support the Authority offered during the 67th Independence Day Celebration "Kiddie March Pass".

The brief ceremony was held at the office of the Director of Administration (DAD), in the presence of the Chairman of the GSA Governing Board, Professor Felix Charles Mills-Robertson, the Deputy Director-General in charge of Conformity Assessment, Mr. Clifford Frimpong, the DAD, Mr. Douglas Nii Teiko Annan, Head of Marketing, Mrs. Dorothy Amoah and members of the Public Relations team.

The representatives from the Municipal Education Office included Dr. Michael Narh, the Public Relations Officer (PRO), Mrs. Jemima Duffie Agyepong, the Early Childhood Education Coordinator, and Mr. Seth Abredu, an Administrator.

Dr. Narh expressed profound gratitude to the GSA for its solidarity and support during a recent funding request.

"We are thankful for the exceptional support provided by GSA. The support shows that you recognise the pivotal role standards plays in the lives of students and this translated in the success of the event," he stated.

Mr. Frimpong extended the Authority's appreciation for the citation and acknowledged the role standards plays in the country.

He noted that standards should be taught right from children's formative years to grow up and make the world a safer and better place.

There was a sense of optimism for continued collaboration in advancing the educational sector during the brief ceremony, recognising education as fundamental to every child's development.

The GSA was presented with a citation, a letter of appreciation and photo book highlighting the event day.
