

Board members touring the Metrology Mass Lab

Board Members Tour GSA

Members of the newly constituted Governing Board, as part of their efforts to familiarise themselves with the Authority's processes and operations, toured the GSA premises on Monday, September 29, 2025.

The delegation, led by the Board Chair, Mr. Hudu Mogtari, visited the Engineering Department, Metrology Department, Metre Lab, and Testing Labs, where members asked pertinent questions on how the Authority is run and understand deeply how various standardisation procedures are undertaken.

Mr. Clifford Frimpong, the Deputy Director-General in charge of Conformity Assessment (DDG-

CAS), explained in detail, the various functions of selected departments and labs of the Authority.

Mr. Mogtari noted that the tour was very important to help the Board members appreciate the work of the institution.

The Board members expressed their excitement at experiencing first-hand the work of the Authority and pledged to collaborate with the Director-General and management to project the Authority.
